

BELLEVUE SENIOR HIGH SCHOOL
"HALLS OF EXCELLENCE"

NOMINATION FORM

In 1994/95 the Bellevue Senior High School witnessed the formation of the BSHS Academic Booster Club. The Club's philosophy is simply to recognize the academic accomplishments of the students of BSHS.

Through the efforts of the Academic Boosters and the Alumni Association the HALLS OF EXCELLENCE was formed and the inaugural class was inducted in 1999. The H.O.E. is to recognize alumni of BSHS and those educators and administrators who have walked the Halls of the Bellevue City Schools who have left their mark on their world. These inductees were nominated and elected based upon their private, public, and/or other personal contributions to society in general and outstanding service in their chosen professions.
