Welcome to the Bellevue Middle School

The Bellevue Middle School was rated Excellent with Distinction on the 2010-2011 and 2011-2012 Ohio Department of Education local report card. We offer a challenging core curriculum to our students, along with a variety of "elective courses" that students can choose to take during their 3 years at the middle school. A variety of extra-curricular and co-curricular activities is also offered at the middle school.

The grade level teaming concept is used at the middle school and provides staff members with valuable planning time to help meet the individual needs of our students. The school district continues to participate in the Race to the Top and Ohio Improvement Process initiatives. Both school improvement programs stress the importance of formative assessments and using student performance data to help teachers develop instruction that focuses on the specific needs of their students.

Extra-curricular and Co-curricular Activities

Football	Power of the Pen
Cross Country	Yearbook Club
Volleyball	Student Council
Basketball	Drama
Track and Field	PHYT Club
