Dear Parent/Guardian:

On behalf of the high school guidance department and the administration, we would like to extend an invitation to the parents of all current eighth graders to attend an informational meeting in the high school cafeteria on Monday, February 12th at 7:00PM. Topics covered that evening will include high school policies/procedures, course selection and scheduling for freshmen year, educational options offered at the high school and athletic eligibility.

This annual event is an attempt to ease the transition from the middle school to the high school. This program will also give parents the opportunity to gain a clearer understanding of what is expected of a Bellevue High School student and how they can take an active part in the educational process.

If you have any questions prior to this event please call the Bellevue High School Guidance Department at 419-484-5071.

Sincerely,

Jill J. Mohr
School Counselor (A-L)

Doug Siesel
School Counselor (M-Z)
