Bellevue City School District, Bellevue, Ohio

October 2018

Hello!

Reading aloud to your children is the single most important contributing factor to their success in school. It takes a few minutes of your time each day and yields SO MANY benefits.

- **It's time spent together.**
- **It's a conversation starter.**
- **It's a great way to talk about strong emotions and life events.**
- **Reading and storytelling promotes brain development and imagination.**
- **Reading aloud helps your child get to know sounds, words and language, and develop early literacy skills.**

Please email me with a book recommendation for other parents/children to enjoy together! shannon.turner@bellevueschools.org
Let's build a culture of literacy!

With Children at Heart,

Mrs. Turner, Principal
