

Dear Eighth Grade Parents,

The week of February 13<sup>th</sup> the Middle School Guidance counselors will begin scheduling students for their Freshmen classes. Once we have met with your student they have been instructed to share their choices with you, and have you sign their registration sheet. Students need to return their signed registration sheets to school.

If you have any questions about your student's choices, please contact either Mr. Dryfuse or Mrs. Motley during regular school hours. We would be happy to discuss your child's options with you. We can also be reached by email through the Middle Schools home page. A copy of the Freshman Registration sheet is available through a link on the Middle School guidance page.

Mr. Dryfuse  
419-484-5067

Mrs. Motley
