Bellevue City School District, Bellevue Ohio

December 2015

From the desks of the principals:

This year we are offering a monthly Coffee Club for parents and guardians. This club is designed to provide parents with literacy games, reading activities and strategies. We have been offering "club" in the morning and afternoon. During Coffee Club we have a story time for children of attendees. For more information please contact the school.

Third grade students completed the fall reading test this month using AIR. They did an awesome job by taking their time and working hard on this computer based test. We are very proud of them. Happy Holidays!

### PBIS Recognition Award

Bellevue Elementary is very proud & excited to announce that we received the 2015 Ohio PBIS Implementation Recognition Award!!! This award was received for our accomplishments in implementing, with fidelity, school-wide Positive Behavioral Interventions & Supports for the success of all of our students in Ohio schools!! The Green, Yellow, Blue, Red card system, voice levels, green ticket drawings, and monthly/quarterly/yearly awards (i.e. Fabulous Friday, Marvelous Month, Citizen of the Semester) are all interventions we have implemented to make our school a positive, welcoming and caring environment for our students. We could not have won this award without the hard work of our past and current PBIS core team members, input from staff, support from administration, and continued support from our wonderful parents! Thank you to everyone that helped make this prestigious award possible!!!
