

Bellevue Athletic Hall of Fame

(2019 Nomination consideration)

PRESS RELEASE

The Bellevue Athletic Hall of Fame Committee is currently seeking nominations for the 2019 induction into the Bellevue Athletic Hall of Fame. Nomination forms can be picked up at Bellevue H.S. daily, or located at the Hall of Fame web-site at: www.bellevuehalloffame.com, or located on the Bellevue City Schools website under Bellevue High School.

Nomination forms need to be filled out as completely as possible by the person nominating. The Hall of Fame committee will add information that is only readily available from the school yearbook and any record books, but often these are incomplete depending on the sport and year. Please call the nominee and/or family members if searching for stats, and honors, and be as complete as you can be.

The deadline for nominating a person for induction consideration for the 2019 class is Friday, March 8. Former athletes, coaches, and administrators are eligible. Athletes must have been out of school for (10) years. Athletes currently eligible for consideration must have graduated in 2009 or prior.

To be considered for selection into the athletic hall of fame, the official nomination form must be completed and submitted to Brian Schubert, Athletic Director Bellevue High School by Friday, March 8, 2019.
