Military Families

Bellevue School District has made a commitment to military-connected students and families to provide them with resources and support. The school has a staff point of contact for military students and families who serves as the primary liaison between them and the school. The liaison completes professional development on special considerations for military students and families under federal law. The liaison identifies and informs teachers of the military-connected students in their classrooms and the special considerations military families and students should receive.

Please take a moment to complete this form and return it to Luana Coppus, Liaison, or the student's principal.
