RESERVED SEASON TICKET INFORMATION

Starting Monday, July 31, Reserved Football Tickets for the 2017 Bellevue Redmen Football Season and Marching Band Season will be on sale for those people who were a reserved ticket holder last season. During this time those people will have a chance to keep their reserve ticket location from last year or select a new location.

On Monday, August 7, all remaining reserved seats will be open for sale to the general public, and we will no longer be able to guarantee any seats from last season.

Reserve seats will guarantee you the best seats at First National Bank Field in the Bellevue Athletic Facility with new railings up those isles. The middle section reserve seats are located below the press box all the way to the track. Purchase of a reserve seat package will also guarantee you the same reserve seat if the Redmen would host a 1st round state playoff game. Also, reserve ticket holders will receive a complimentary Bellevue Redmen Window Decal with the purchase of every seat.
