ABOUT OUR SCHOOL

Extended Learning Areas are multi-purpose areas that include lounge seating and Interactive White Boards that allows for both large and small group differentiated educational opportunities. Every grade level has their own Extended Learning Area.

Technology such as Interactive White Boards, Scanners, Digital Cameras, Student Response Systems, Computer Lab, Chromebook Carts, i-pads, Document Cameras, and Go-Pros are available to enhance the education of our students.

School Messenger is an automated phone system notifying students, parents, and staff in case of emergency.

Transportation and the Here Comes the Bus App are available to all Bellevue students.

Progress Book is available for parents/guardians to view their child's grades.

WHAT MAKES US GREAT!

Bellevue Elementary School is founded on a child-centered education approach and is dedicated to providing a positive school environment that recognizes all students for their personal achievements. We strive to provide all students with the knowledge and skills to succeed in an evolving global society.

Bellevue Elementary School is home to Pre-school—5th grade students and utilizes a standards-based curriculum along with opportunities to enjoy art, physical education, music, library and a MAKER SPACE!

We are also a fully embedded PAX school. Promoting Peace, Productivity, Health and Happiness.

Preschool ★★★★★

The Bellevue Schools Preschool, a state recognized 5-Star Step-Up to Quality program, is a public preschool. Educational programming is based on the Early Learning & Development Standards. The program serves children three to five years of age, including children with special needs. Morning and afternoon sessions are available up to five days per week. Income eligibility requirements may apply.

Social Worker and Counselors

The Elementary Guidance Program provides a variety of services to children, staff and parents both on an individual, group, and classroom basis. They provide staff and parents with additional resources regarding students' social-emotional needs. Mrs. Young is also our District Social Worker and serves as a link between the home, school and community. She attends collaborative meetings in Sandusky and Huron Counties focused on bullying, drug awareness and other mental health issues.
