

Name: _____

Planet Earth

Ready to Read Texts for Ready Readers

Read it.

Draw it.

We live on a planet called Earth. It is the third planet from the Sun. Earth is made of rock. It has air to breathe.

It's important to keep Earth clean. We need clean air to breathe, clean water to drink, and a clean place to live.

What can you do to keep Earth clean?

What is the title of this text called?

What could be another good title for this text?
