Planet Earth

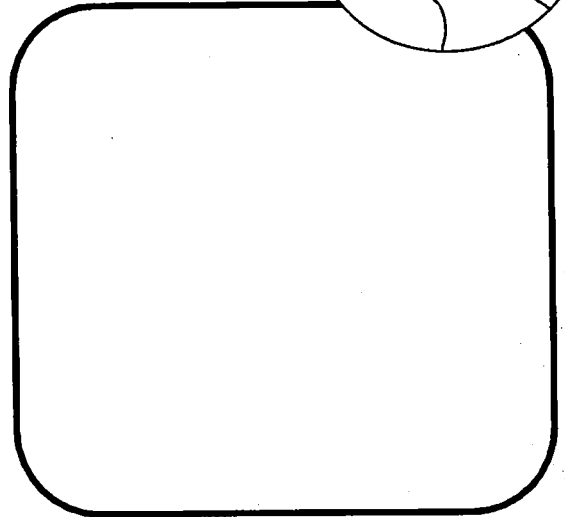

Ready to Read Texts for Ready Readers

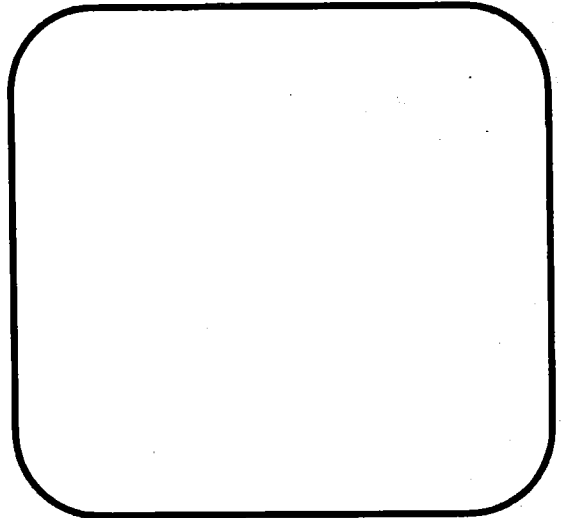

Read it.

Draw it.

We live on a planet called Earth. It is the third planet from the Sun. Earth is made of rock. It has air to breathe.

It's important to keep Earth clean. We need clean air to breathe, clean water to drink, and a clean place to live.

What can you do to keep Earth clean?

What is the title of this text called?

What could be another good title for this text?

Fiction Passage 2 The Big Mess

There was a big mess at the table.

No one wanted to clean it up.

Jan said that Cho made the

mess. Cho said that Seth made

the mess. Seth said that Jan

made the mess. The teacher

said they have to clean it up.

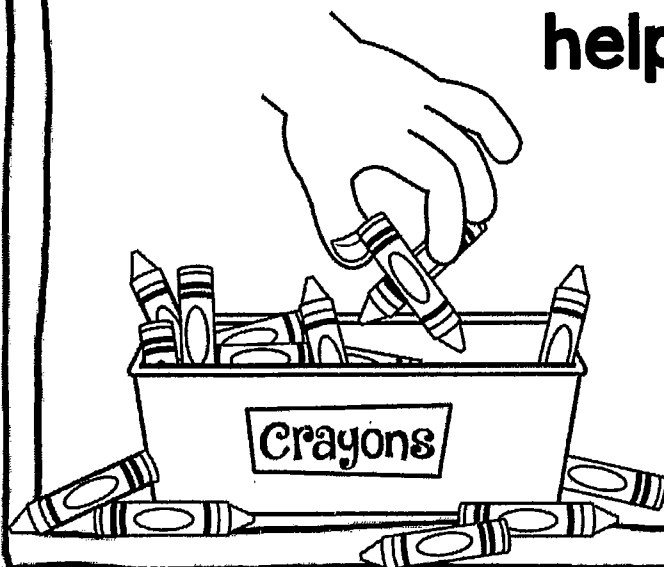

The three kids picked up the

big mess. They got along. They

helped each other. The

table looked much

better.
