# Winter Packet

# Blizzard Bag Directions

The school district has adopted the use of blizzard bags. Here is what this means. We are able to use five snow days without having to make up the days at the end of the school year. On the sixth, seventh and eighth days missed of school we use blizzard bags. If we were to miss nine or more days of school, those days would be made up at the end of the school year.

## **Day 1 (day 6 of missed school): Please return these items for grading.**

- Counting Snowflakes-count each group of snowflakes. Cut and paste correct number underneath.
- Snowflake Alphabet-write the missing uppercase letters in your neatest writing.
- ABC order-neatly write the words in alphabetical order.

## **Day 2 (day 7 missed of school): Please return these items for grading.**

- Counting On-write the numbers that come next.
- Mitten Beginning Sounds-color cut and paste the picture next to the correct beginning sound letter.
- Writing Prompt-write two or three sentences of what you would do if it snowed outside. Remember a good sentence has an upper case letter, punctuation mark, good spaces and sounds that make sense!

## **Day 3 (day 8 missed of school): Please return these items for grading.**

- 120 Chart-neatly write one number in each box 1-120!
- Winter Word Family Sort- cut apart cvc (consonant vowel consonant) words at the bottom of the page. Glue them next to the correct word family ending.
- Write a short story about the picture and color the picture!  
Thing about how good sentences look!

For Fun-this can be done on any of the days for fun and does not have to be returned to school!

Cut apart the letters in the word SNOWMAN. Move the letters around to make different words. See how many they can come up with! ☺
