**Title I Program**

Making

A

Difference

---

## PURPOSE

To improve the educational opportunities of children by helping them:

- Attain grade level proficiency in the curriculum through the Ohio Academic Content Standards.
- Pass the Ohio Achievement Assessment required by the Ohio Department of Education.

## PROGRAM DESIGN

The Title I program is designed to give an extra boost to ensure student progress within our curriculum based on the Ohio Academic Content Standards. Often additional instruction is all that is needed to help students achieve success.

The Title I teachers, who are highly qualified, are working in the classroom and coordinate with the classroom teachers to strengthen and build academic skills.

## Home—School Connection

It is the school's responsibility to provide high quality curriculum and instruction in a supportive and effective environment that enables the children to meet the Ohio Academic Content Standards. Each parent is responsible for supporting their child's learning, such as monitoring attendance, homework completion, television watching, volunteering at school, and participation, as appropriate, in decisions relating to the education of their children and positive use of extra curricular time.
