January 11, 2021

Happy New Year Redmen Families!

I am pleased to announce that Bellevue City Schools will make a **Full Return** to our normal schedule on Tuesday January 19, 2021. As a reminder, there is No School on Monday January 18, 2021 in honor of Martin Luther King Jr. Day.

Students currently on remote learning may choose to return to school or remain on remote learning through the end of the school year. We look forward to all students returning to in person learning for the 2021-22 school year. We are no longer enrolling new students in the remote learning program unless there are extenuating circumstances related to COVID.

We now have a full semester of data which shows the rate of spread of the virus is minimal in the school environment. This data is clear not only in Bellevue but all across the state of Ohio. We will diligently continue to follow all of our safety protocols to minimize the spread of the virus as cases arise. While the end of the pandemic is hopefully in sight we still have a long road ahead. We will follow our safety measures for as long as is needed to ensure our students and staff have a safe environment to teach and learn. Working with our local health officials and studying data in our community is now a normal part of our routine. If the need arises we will adjust our learning model for short periods of time to work through any issues that may occur, but my hope is to remain on a full schedule so our students can get the maximum benefit of in person learning.

Mrs. Schubert
