WELCOME TO THE BELLEVUE CITY SCHOOLS

We are happy your child is attending Bellevue City Schools. We encourage your participation in parent teacher conferences, programs, musicals and other activities throughout the school year. Having an active part in your child's education will improve your child's attitude toward school and learning.

Education is a lifelong adventure, and as adults, we need to encourage our youth to participate in a variety of activities. Activities are the foundation for choices children will make in the future. We look forward to seeing you in our schools as a parent/guardian, volunteer and/or an observer.

ADMINISTRATIVE MATTERS

EMERGENCY EARLY DISMISSAL

Emergencies such as inclement weather, fire, heating or plumbing problems, or any unforeseen development could make it necessary for us to dismiss school prior to our regular dismissal time.

Because of the possibility of early dismissal, we are sending an Early Dismissal Form home so you can designate definite arrangements for your child in case you are not home at the time of an early dismissal. **The Early Dismissal Form must be completed for each child, by the parent/guardian, and updated as necessary.**

SCHOOL DELAYS AND CLOSINGS DUE TO INCLEMENT WEATHER

Delayed Opening

During a delay, schools will open two hours late when it appears that road conditions will improve with traffic use and more favorable weather conditions.

School Closings

Schools will not open when it appears that road conditions will not improve or weather conditions will become worse.

SCHOOL MESSENGER Notification Service

Notification of a delayed opening or closing and other general announcements will be made through an automated system called School Messenger. It is important that the school have your most current telephone number on file. Should your contact information change, please notify your child's building secretary as soon as possible.

- Caller ID will display [419-484-5189](tel:419-484-5189) when general announcements are delivered. School Messenger does record a voicemail, so you are encouraged to check your voicemail when you see that you missed a call coming from this caller ID.
- Caller ID will display 411 if the message is an emergency, which includes school closures and delays.

Please listen to one of the following stations after 6:20 a.m. to hear any announcements regarding a delayed opening or closing due to inclement weather:

FM 92.1 FM 102.7 AM 1370 FM 100.9 FM 103.7 AM 1450 FM 95.3 AM 1600

ATTENDANCE/WELFARE OF STUDENTS

ATTENDANCE, ABSENCE, TARDINESS

Ohio law requires parents, guardians and persons having custody of school-aged children to be accountable and responsible for their children's regular attendance in school. The Bellevue City Schools believes good attendance assures students will derive more from the educational programs. Regular attendance is necessary for teachers to provide the best possible instruction for a student. It has been proven that poor attendance leads to poor scholarship. Students who attend classes on a regular basis achieve higher grades, enjoy school more, and develop more consistent work patterns making them more employable after leaving school.

Bellevue Elementary School starts at 8:45 a.m. The child's **parent or guardian must call the school by 9:30 a.m.** on the day of absence. If the school is not contacted, the school will make every effort to call the home before 12:00 noon. In the event it is not possible to make telephone contact, the principal will mail a letter to the parent or guardian each day the student is absent.

When a student returns from an absence, the student must present his/her teacher with a **written** note explaining the absence. This excuse must include days missed, the reason the student was not in attendance, and must be signed by the parent or guardian. All students will be considered unexcused until the written notice is received. Unexcused absences and/or out of school suspension will result in loss of credit.

Pupils may be legally excused for:

- Personal illness (a doctor's excuse may be required)
- Illness in a family (when your presence is required) including quarantine of the home
- Quarantine of the home
- Necessary work at home due to absence of incapacity of parent(s)/guardians(s)
- Death of a relative or close friend
- Observance of religious holidays (plan to attend services scheduled outside of school hours so that you will not be tardy or absent from school.)
- Limited amount of necessary work at home for maintenance of the home and family. (Family in this situation will refer to those people living in the same household as the student.)
- Professional appointments

Any absences beyond ten days (65 Hours) in the school year will require a physician's note to be excused. The following excused absences, while still being considered absent, **will not** count towards the ten (10) Days (65 Hours) day limit:

- Medical reasons accompanied by a note from a physician
- Dental visits accompanied by a note from a dentist
- Court appearances with a note from an attorney or the clerk of courts
- Attendance at a funeral accompanied by a note from the parent/guardian
- Out of school suspension
- Other days as approved by the Principal

Truancy – an absence will be considered truant if:

- No phone call by parent/guardian is made the morning of the absence, and
- If no absence note is brought back by the student within two mornings of return.

If more than one hour is missed, the student will be counted ½ day (3.25 Hours) absent. A student that arrives later than or leaves before 12:00 p.m. will be counted as a full-day absence (6.5 Hours).

The school district may notify the Juvenile Court when a student has an unexcused absence for more than 30 consecutive hours, 42 hours in a month, or 72 hours in a year.

In cases of extended absence from school, parents/guardians are encouraged to contact the school to obtain assignments for students. For an extended excused absence, the number of days to make up work will be at the discretion of the principal. It is the student's responsibility to request makeup work.

FAMILY VACATIONS

Vacation days are considered days of absence from school. Students may be excused for family vacations not to exceed **five** school days during the entire school year, as long as the vacation days are taken among the first ten (10) days of absence of the school year. Advanced notice of vacation days should be submitted to the office one day (24 hours) before the planned absence. Completion of the missed work is the responsibility of the student.

TARDINESS

Practically, all tardiness can be avoided. It can easily become a habit and will seriously affect your success in school, as well as, your success on a job. Accept the responsibility for prompt attendance both to school and to your regular classes. Oversleeping is not a valid excuse.

In case of tardiness to school or to class, you are to report to the office. You will be considered tardy if you are not in your assigned seat when the tardy bell rings. You should not loiter outside the classroom or in the restrooms, then rush to avoid being tardy.

The first tardy in each quarter is excused. Thereafter, each student will lose 15 minutes of recess per tardy incident or whatever action deemed appropriate by the principal. Tardiness will result in no perfect attendance awards being given. After 60 minutes, the student will be marked absent. Students who leave prior to the last 60 minutes of the day will be marked absent. You must attend at least two and one-half hours per day to have a half-day credit.

CUSTODY

The law states that a certified copy of a child's custody order or decree or modification of an order or decree be added to the other admission documents to be presented by the pupil at the time of his/her initial entry to school. It is the duty of the custodial parent/guardian to notify the school of custody arrangements resulting from a divorce, dissolution of marriage or other order pertaining to a child who is a pupil in a public or nonpublic school. Notification must be done by providing the person in charge of admission with a certified copy of the court appointed custody order.

It is extremely important that we have the above information on file in the school office. This information will assure that we are releasing a child to the proper person. All custody information will be kept confidential.

HEAD LICE

Upon occasion, students may be found to have head lice. If live head lice is found, the parent/guardian will be notified and recommended treatment guidelines reviewed.

Treatment of Head Lice

- Consult your school nurse, pharmacist, health dept., or your healthcare provider for appropriate treatment.
- Hair must be carefully combed to remove nits (head lice eggs) A special comb is usually included with the shampoo you purchase. Nits may need to be removed with your fingers.
- Laundry – all clothing, sheets and linens used within the past 72 hours must be laundered. Clean or wipe off items, such as stuffed toys, brushes, headbands.
- Vacuum all carpeted areas, beds and furniture thoroughly.

Return to school

Your child may return to school after completing appropriate treatment and no live lice are found. Students excluded from school because of head lice should complete the treatment and return to school the following day. Students not returning within three days will be considered truant.

HEALTH AND IMMUNIZATION REQUIREMENTS

A child entering school in the state of Ohio is required to be immunized against specific diseases. The immunizations needed vary, depending on the child's grade level and current state guidelines.

Ohio law requires that no student will be admitted to school unless he/she has written evidence of receiving the required immunizations, is in- process of being immunized, or has a formal waiver signed by the parent or legal guardian. This information is to be completed and at the school no later than the day of entrance. Students failing to meet these immunizations requirements within fourteen (14) days after entering school should be excluded until the requirements are met. (Ohio Revised Code 3313.671

Students already enrolled in school have their immunization records reviewed regularly by the school nurse. If your child is lacking in the necessary immunizations, the nurse will notify you. Many times, a mere communication problem exists between home and school. The child may have all the necessary immunizations, but the school has not received an updated record.

COMMUNICABLE ILLNESSES

A school nurse or public health nurse may examine any student suspected or reported to have a communicable disease. Upon recommendation of the school nurse, the student may be excluded from school. Readmission is dependent upon a decision of a healthcare provider, school nurse or public health nurse. Parents/guardian may be informed when a communicable disease occurs in their child's classroom or on the bus so that early signs or symptoms can be observed and appropriate preventative measures can be instituted.

ILLNESS OR ACCIDENT

If your child becomes ill or an accident of sufficient nature occurs making it necessary for the child to go home, you will be called. If you cannot be reached, we will call the person you designated on your Emergency Medical Authorization Card. Please designate an alternate who is accessible to the school in a short amount of time. Your child is served poorly by an alternate who is a great distance away.

Exclusion of sick children from school is the responsibility of the school administration. Transportation of sick children to their home is the responsibility of the parent/guardian.

An Emergency Card will be kept on file for each child. **Please list two different numbers at which you or a designated person can be reached. Please keep the office informed of any changes to be noted on the Emergency Card.**

Any child with the following symptoms should not remain in school:

- Elevation of temperature within 24 hours (Temperature over 100.0 F)
- Vomiting within 24 hours
- Unexplained rash
- Red irritated eye with drainage

INSURANCE

Voluntary accident insurance is made available for parents/guardian to purchase for either school days or 24 hour coverage. The former is good only for the school year, while the latter covers the entire year. The school insurance policy is a supplementary insurance, which means that it provides limited amounts of benefits over and above any other insurance policy owned. Detailed information will be sent home with your child at the beginning of the school year.

MEDICATION

Ohio law prohibits school personnel from administering any kind of medication to students without proper written permission. If it is necessary for your child to take any medication at school, a Medication Authorization Form must be completed. This form will specify the name of the medication, the dosage, the time for it to be taken, start/stop dates, the prescribing healthcare provider's signature and the parent's/guardian's signature. Medication forms may be obtained in the school office and must be completed each school year or whenever a medication dosage or frequency changes.

All medication, prescribed or over-the-counter, will be administered in the office. All medication should be brought by an adult to the school office. No medication of any kind should be in the students' possession. The only exceptions are asthma inhalers or EpiPens, when proper authorization for the student to carry this medicine is received from the healthcare provider on the appropriate form and approved by the school office.

No medication will be given unless it is in its original container with the student's name. The dosage on the medication bottle and the medication authorization form must be the same. If medication is not in the original container and/or the form is not completed correctly, the medication will not be given that day.

A parent/guardian will pick all medication up within a week of discontinuing or at the end of the school year or it will be destroyed within one week. A record of the administration of medication will be kept on file.

It is advisable to check with your physician if medicine needs to be given during the school day. In many cases it is sufficient if the child takes the medicine at home before coming to school and when returning home in the afternoon.

MISSING AND ABSENT CHILDREN

The Board of Education believes in the importance of trying to decrease the number of missing children. Therefore, efforts will be made to identify possible missing children and notify the proper adults or agencies.

At the time of a child's entry to school, the parent or legal guardian will present to the person in charge of admission a copy of the child's certificate of birth and copies of those records pertaining to the child maintained by the school that the child most recently attended. If the appropriate documents are not received within two weeks, the principal will notify the proper authorities of the possibility that the student may be a missing child.

The primary responsibility for supervision of a student rests with his/her parent(s) or guardian(s). The school district staff will provide assistance to parents and guardians with this responsibility.

STARTING AGE/KINDERGARTEN

According to state law, all students **MUST** attend Kindergarten before entering First Grade. All children six years old by the start of the school year must be in school.

TELEPHONE MESSAGES

The office telephones are not to be used by students except for school business or for an emergency. In cases of illness or emergency, the office personnel will make the necessary calls. For this reason, children are discouraged from calling home for forgotten items. We appreciate your support in helping youngsters accept responsibility for their work and supplies.

TORNADO AND FIRE DRILLS

By law, we will conduct monthly fire drills and tornado drills during tornado season. These drills are handled in a manner to simulate the real situation to ensure pupil safety in the event that such an emergency would occur. Pupil cooperation is demanded and discipline will be strict. Emergency procedures and areas have been designated according to the Ohio Fire Marshall and are posted in each room throughout the school.

VISITORS TO THE BUILDING

Anyone entering the school building ***must report and sign in at the Principal's Office.*** We will see that any materials brought in are delivered to students at an appropriate time in their schedule. We will also see that students are called to the office if needed. These procedures help ensure that there be a minimal amount of interruptions during instructional time.

If you need to talk to a teacher, please call or send a note to the teacher to schedule an appointment. This method will allow the teacher to set aside an appropriate amount of time to meet with you and will avoid interrupting classroom instructional time.

WITHDRAWALS

Parents/guardians who have a child transferring to another school should inform the school office so the proper credentials may be prepared. We must receive parental/guardian permission for release of records before anything will be sent to any school. All materials belonging to the school must be returned before departure. All fee obligations must be paid before release of records.

SUPERVISION OF STUDENTS

BUS RULES

The Bellevue Transportation Department is continuing to strive for excellence. Our major goals are safety, fiscal responsibility and customer service. Our fleet has 23 buses. Each day we transport approximately 1072 students on 15 daily routes, each route services four in town schools and nine out of town schools; both with morning and afternoon routes. On any day our buses travel at least 1750 miles. In addition there are also day and evening field trips and sporting events which are students our bused to.

SCHEDULES AND ROUTES

The bus routes have been designed to promote the safest and most efficient transportation to and from school. Pupils are to ride only the bus(s) to which they have been assigned. Bellevue City Schools will transport to an approved babysitting location (babysitting papers are required).

School bus drivers, if on schedule or behind schedule cannot wait for tardy students. **Students must be at their designated stop location 5 minutes prior to the scheduled bus arrival time.**

Students will only be allowed to ride their assigned bus(s). Emergency requests must be made by the parent/guardian to the transportation department as a one-time emergency location drop off. Emergency bus arrangements will only be approved if space is available. The Bellevue City School District does **not** transport students to after-school employment or commercially operated day cares outside of the child's school attendance area.

AUTHORITY OF DRIVERS

While being transported on a Bellevue City Schools' bus, the students are under the authority of the bus driver, who is responsible for the orderly conduct and safety of all riders. The driver has the authority to enforce all of the rules and regulations as described.

RIDING THE BUS

No student is permitted to stand while riding a school bus. When there are three students to a seat, it is important to share the space. Students will have assigned seats. Please do not move from your seat unless instructed to do so.

LOADING

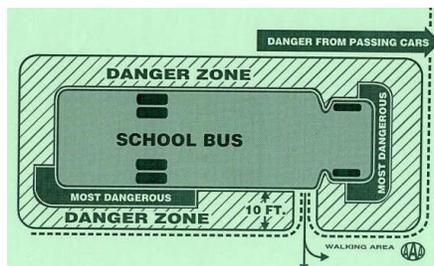

Wait for your bus in a safe place, approximately 30 feet away from the roadway. You should line up single file and board the bus in an orderly manner, going immediately to your seat so that the bus will not be delayed and others may board. Please do not stand or kneel on seats or sit on the seat backs, as an injury can occur if the bus stops suddenly, and it also damages the seat safety cushions.

UNLOADING

When arriving at school, remain seated until instructed by the driver to move. When preparing to leave the bus at your home destination, move to a front seat the stop before yours. Stand only after the bus comes to a complete stop.

CROSSING THE ROADWAY

When it is necessary to cross the street or road before getting on or getting off the bus, the student must cross at least ten (10) feet in front of the bus. Always wait for the bus driver's signal to cross the street or road, as the bus driver is in a position to see traffic in both directions. After the bus driver signals the student to cross, look in both directions before moving into a traffic lane. Remember, if the driver sounds the horn, it means **DANGER! Stop immediately!**

EMERGENCY EVACUATIONS

The bus driver will hold practice drills for emergency evacuations. To insure the student's safety, the students must become familiar with proper procedures. If a student cannot participate in a practice drill, a parent/guardian must send in a written letter to the school office.

CONDUCT ON THE BUS

Remember that riding the bus is a privilege granted to you. The bus is viewed as an extension of the classroom and conduct should be similar.

- Cell phone use is prohibited.
- Profanity or obscene language and gestures will not be tolerated on the bus. Use of such language or gestures will be considered serious enough misconduct to have a student's riding privileges suspended.
- Eating, drinking, lighting matches, smoking, spitting, or littering the bus floor with any material is not permitted.
- Windows may open with permission from the driver. Do not extend any part of the body or any other objects out of a bus window at any time. Close your window when instructed by the driver. Throwing any object from a motor vehicle is prohibited by law.
- **Absolute quiet must be observed while approaching, stopping and crossing all railroad tracks.**
- Continued or serious misconduct or refusal to obey a driver's instructions shall be sufficient reason for refusing transportation services to any student. The parent/guardian of students that have done damage to a school bus will be billed for repair costs.
- Sharp or pointed school supply items (pens, pencils, compasses, etc.) should be carried in a closed container.
- Please arrange another means of transportation if any large, fragile, or forbidden cargo is to be brought to school. Packages or musical instruments that can fit and held securely on your lap may be carried if there is sufficient space. Students must check with the bus driver in advance.
- No glass containers, bottles, helium balloons, skateboards, or fragile items may be carried on the bus (lunch thermos bottles are acceptable). Personal headphones, CDs, DVDs, cassettes, radios and cell phones are prohibited. No laser pointers can be used on the bus.
- **The transportation or carrying of firearms or any other weapons or explosives on a school bus is prohibited by law.**
- Animals are also prohibited, with the exception of those intended for special needs assistance.

SCHOOL BUS DISCIPLINE PROCEDURE

- When a student is referred to the administrator's office, he or she may receive a warning and a letter is sent home to the parent/guardian.
- The second time the student is referred to the administrator's office; he or she is subject to detention or suspension from riding the school bus. A letter is sent home notifying the parent/guardian of the suspension period.
- When a student is referred to an administrator's office for the third time, he or she will be subject to suspension from riding the school bus for a longer period of time, up to the remainder of the semester. Parents/guardians are again notified by the school office.

NOTE: In some instances, a student may be subject to dismissal from riding the bus without notice, or on the 1st offense. Examples of such incidents are as follows:

1. If a student strikes, attempts to strike, or threatens a bus driver.
2. If a student cuts seats or otherwise damages the bus.
3. If a student is fighting with, injures, or presents a danger to other students.
4. If a student uses or dispenses tobacco, alcohol, or drugs.
5. If a student lights a fire or is playing with matches or a lighter.
6. If a student brings a weapon or explosive on the bus.

Right to Appeal

Disciplinary actions resulting in suspension are accompanied by the right to appeal.

A MESSAGE TO PARENTS/GUARDIANS

Bellevue City Schools Transportation Department may provide transportation to/from an alternate location, provided there is room available on the route and the following guidelines are met:

1. Alternate location requests must be made in writing on a Babysitting Transportation Request Form. (This applies to all daycare requests). These forms are available at the school offices as well as the Board of Education office located at 125 North Street; Bellevue.
2. The alternate location is consistent five days per week for the morning and afternoon. Alternate locations will remain the same for at least one semester. Example: Student may be transported from one location to school in the a.m. and from school to another location in the p.m.
3. The alternate location is along a regularly scheduled route at a regularly scheduled stop.
4. The alternate location must be within the same school attendance area for which the student is assigned.

Although your school bus drivers train extensively and are experienced in the many different facets of pupil transportation, they need the cooperation and assistance of both students and parents/guardian to ensure the safest trip possible.

Please take a few minutes to review this pamphlet with your children. It contains information that will assist students in learning their rules and responsibilities in transportation safety.

SAFETY TIPS FOR PARENTS/GUARDIANS

- Stop your vehicle for school buses with red lights flashing...even in the schoolyard!
- Make sure your children get to the school bus stop in plenty of time. Be at the stop 5 minutes before your scheduled time.
- Discourage loosely fitted or baggy clothing that can get caught in handrails, in swing doors, or on seats.
- The most dangerous area is at the loading and unloading areas. Instruct your children to avoid horseplay and to stay back away from the bus until it is okay to board.
- Instruct your children to remain seated while on the bus, and avoid horseplay or being exceptionally noisy.
- Don't buy student raincoats that are yellow, buy another color. The yellow raincoat has a tendency to blend with the yellow school bus, making it hard for motorists to see the student.
- The school zone speed limit is 20 miles per hour.
- Teach your children to STOP and look before hurrying away from the bus as they exit at the end of the day.

- If you meet your child at the bus stop after school, wait on the side where the child will be dropped off, not across the street.
- Do not run alongside the bus when the bus is moving. Wait until the bus stops; then walk to the door and board the bus in an orderly manner. Do not push or shove.

***We ask that you discuss with your child the importance of safety of both inside and outside of the school bus. Please stress the danger involved when walking or playing behind, at the sides, or close to the front of any vehicle. Familiarity with the items in this pamphlet will help make everyone's ride safer and more convenient.**

CAFETERIA PROCEDURES

A cafeteria is provided in the school. A parent/guardian may choose to have his student eat a school lunch or pack a lunch. A student may purchase milk. It is the responsibility of the parent/guardian to see that the student has his lunch or has money to purchase a lunch. Bellevue City Schools food service department is self-supporting.

Elementary students may charge up to 3 times. **After the third day if the student comes to school without lunch money, they will be offered a cheese sandwich, fruit, crackers, and milk. The price of \$1.50 will be charged to cover the cost of food.**

If a student charges a lunch you will receive a phone call from our automated call system. The call will explain that your child charges and tell you the amount that you owe. You will need to send in the amount to cover the charge the next day. Please remember to let the secretary at your child's school know if you change your phone number so that she can update it in the call system and you can continue to receive the charge phone calls.

There is no charging breakfast or extras at school.

You can keep track of your child's spending and account balance by signing up at www.k12paymentcenter.com.

This is a free service. When you sign up you can put in to receive a low balance text, email, or both when the account balance gets to an amount that you set. This will help you to track your child's lunch account and it will help assure that they will always have money for lunch.

Cafeteria prices will be established and published at the beginning of each year. Free and reduced priced meals are available to families who qualify. Information about the program may be obtained in the school office.

Lactose free milk is available. Students are expected to eat only their own breakfasts/lunches. Students are not allowed to share or trade food.

Please feel free to call Jackie Hess with any questions or concerns. 419-484-5190.

Parent/guardian should bring forgotten lunches or lunch money to the school office. Please do not disturb the child's classroom. Students may go home for lunch but only with written parent/guardian permission.

CAFETERIA RULES

1. Students are encouraged to wash their hands before entering the cafeteria.
2. Students should follow instructions of the school cafeteria monitor/supervisor.
3. **NO FOOD IS TO BE PASSED FROM STUDENT TO STUDENT.**
4. Students will remain at their table until the person on duty gives them permission to take their tray to the cleaning station.
5. There is no throwing of food or trash. No food or straws are to be taken out of the cafeteria.
6. The floor and tables must be cleared of paper and scraps before the students are excused.

7. While eating, students are required to help maintain a pleasant atmosphere, good table manners and a reasonable noise level are expected.
8. When the students are finished eating, they will be excused by the lunch room supervisor/monitor.
9. Improper conduct in the cafeteria will result in a punishment.
10. Soft drinks are not part of a nutritious meal and therefore must not be included in lunches.

PLAYGROUND SAFETY RULES

1. Follow posted rules.
2. Always follow directions of supervisors.
3. Play on equipment appropriately.
4. Never leave designated playground area without permission.

STATEMENT OF SEXUAL HARASSMENT

The Bellevue City School District is committed to eliminating and preventing sexual harassment from all schools and facilities. Sexual harassment is improper, immoral, illegal, and will not be tolerated within the district. This policy is implemented to inform students as to what sexual harassment is and what procedures are to be followed in dealing with sexual harassment within the district.

I. DEFINITION OF SEXUAL HARASSMENT

Ohio and Federal laws define sexual harassment as unwanted sexual advances, or unwanted visual, verbal, or physical conduct of a sexual nature. Such offensive behavior includes, but is not limited to the following:

- A. Unwanted sexual advances, including propositioning, repeatedly asking someone out for a date after it is clear that the person is not interested.
- B. Explicitly or implicitly offering employment benefits in exchange for sexual favors.
- C. Making or threatening reprisals after a negative response to sexual advances.
- D. Nonverbal conduct: leering, making sexual gestures; displaying sexually suggestive objects, pictures, cartoons or posters.
- E. Verbal conduct: making or using derogatory comments epithets, slurs, or jokes; making sexually based remarks about another person's or one's own body.
- F. Verbal abuse of sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes or invitations.
- G. Physical conduct: touching, assault, impeding or blocking movement.

This sexual harassment policy is intended to protect against sexual harassment before it becomes actionable sexual harassment. The term "sexual harassment" is intended to mean sexual harassment in the broadest meaning of that term in current popular, as well as legal, usage.

II. WHAT TO DO IF YOU ARE SEXUALLY HARASSED

When unwelcome activities described above of a milder nature occur, the best thing to do is to say that you are uncomfortable with the behavior and ask that it cease. If the behavior does not cease, then recourse for students should be sought through the counseling office, the Principal's office, or the Title IX Coordinator.

If any student is subjected to behavior which they consider sexual harassment, students are to promptly notify either a principal or the Title IX Coordinator within the district. The student will be asked to put the complaint in writing and an investigation will be made into the matter. An investigation will be made by impartial and neutral people and appropriate sanctions will be imposed against any student who is found to have engaged in sexual harassment, while on or about district property, or in relation to some district activity. The investigation will include interviewing the alleged victim, alleged harasser, eyewitnesses, and corroborative witness.

In addition to making the complaint with the District office, students also have the right to file complaints with the EEOC.

If for some reason or another, the student believes that this policy will not work in their situation, he/she should discuss the matter with the Title IX Coordinator or Superintendent.

ANTI-HAZING POLICY

It is the policy of the Bellevue City Board of Education and school district that hazing activities of any type are inconsistent with the educational process and shall be prohibited at all times. No administrator, faculty member or other employee of the school district shall encourage, permit, condone, or tolerate any hazing activities. No student, including leader of student organizations, shall plan, encourage, or engage in any hazing.

Hazing is defined as doing any act or coercing another to do any act of initiation into any student group or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

Administrators, faculty members, and all other employees of the school district shall be particularly alert to possible situations, circumstances or events which might include hazing. If hazing or planned hazing is discovered, involved students shall be informed by the discovering school employee of the prohibition contained in this policy and shall be required to end all hazing activities immediately. All hazing incidents shall be reported immediately to the Superintendent.

Administrators, faculty members, students, and all other employees who fail to abide by this policy may be subject to disciplinary action, and may be liable for civil and criminal penalties in accordance with Ohio law.

ANTI-BULLYING

Bullying is an intentional written, verbal or physical act that a student has exhibited towards another particular student more than once and the behavior causes both mental and/or physical harm to the other student and is sufficiently severe, persistent or pervasive that creates an intimidating, threatening, or abusive educational environment for the other student.

Permission, consent or assumption of risk by an individual subjected to bullying does not lessen the prohibition contained in this policy.

Prohibited activities of any type including those activities engaged in via computer and/or electronic communications devices are inconsistent with the educational process and are prohibited at all times. No administrator, teacher, or other employee of the District shall encourage, permit, condone, or tolerate any hazing and/or bullying activities. In recognition that any list of prohibited conduct cannot encompass every conceivable action, which may properly be subject to discipline, the authority to administer discipline for conduct not specifically set forth will be at the discretion of the administrator.

DISCIPLINARY PROCESS AND PROCEDURES

Discipline is the shared responsibility of students, parents/guardians, and school employees. ORC 3313.20, 3313.66, and 3319.41 and Board of Education Policy states that school authorities may take disciplinary action with any student whose conduct at any time or in any place interferes with or obstructs the mission of the school district or the safety or welfare of students or employees. The disciplinary actions will fit the specific code violations depending upon the severity of the offense.

ZERO TOLERANCE PHILOSOPHY: Students are expected to demonstrate responsible, respectful behavior at all times. The School District has "zero tolerance" of violent, disruptive, intimidating or any other inappropriate behavior by its students. Students are required to conduct themselves in a way that exhibits respect and consideration for the rights of others. Students of the District must conform to school regulations and accept directions from authorized school personnel.

EMERGENCY REMOVAL: A student may be removed from the school setting without the formal suspension and expulsion procedures when it is determined that his/her presence poses continuing danger to persons or property or an on-going threat of disrupting the academic process. A student so removed may be suspended and/or expelled through a due process hearing, which must be held within 72 hours after removal. ORC 3313.66(C)

STUDENT SUSPENSION: The Superintendent, principal, or assistant principal/associate principal may suspend a student from school for disciplinary reasons outlined in the student code of conduct. No period of suspension will be for more than 10 school days. Suspension may extend beyond the current school year, if at the time a suspension is imposed there are fewer than 10 days remaining in the school year. The Superintendent may apply any or all of the period of suspension to the following year.

The Superintendent may require a student to perform community service in conjunction with or in place of a suspension. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the suspension into the following school year. The guidelines listed below will be followed for all suspensions, including those of in-school suspension.

1. The student will be informed in writing of the potential suspension and the reasons for the proposed action.
2. The student will be provided an opportunity for an informal hearing to challenge the reason for the intended suspension and explain his/her actions.

(Suspension may be invoked immediately after steps 1 and 2 above only if there is an immediate risk or harm to person or property.)

3. Every reasonable attempt will be made to notify parents/guardian by telephone when a suspension is issued.
4. Within 24 hours, a letter will be sent by U. S. mail to the parent/guardian stating the specific reasons for the suspension and including notice of their right to appeal such action. (Each student has the right to be represented at the appeal hearing by a representative of choice.)
5. Notice of this suspension will be sent to the
 - A. Superintendent
 - B. Treasurer
 - C. Student's school record (not for inclusion in the permanent record).
6. Permanent Exclusion: If the offense is one for which the District may seek permanent exclusion, the notice will contain that information.

APPEAL PROCEDURE: Should a student who is 18 or older or a student's parent/guardian choose to appeal the suspension, he/she must do so within three days of the notice of suspension. The procedure for such will be provided in procedures approved by the Board. All witnesses are sworn and a verbatim record will be kept of the hearing which will be conducted by the Superintendent or his designee. The record shall not be reduced to writing except at the request, cost and arrangement of the party requesting the written record.

Upon review the Board or its designee shall reach the decision and provide written notice to the parent/guardian within five (5) school days following the hearing and may uphold the suspension, establish an alternative suspension of lesser severity, or reverse the suspension in its entirety.

APPEAL TO THE COURT: Under Ohio law, appeal of the Board's or its designee's decision may be made to the Court of Common Pleas.

OUT OF SCHOOL SUSPENSION GUIDELINES: Students will not attend school or any school related activities on the assigned days of suspension.

Students are not permitted on any school property; any student who violates this guideline shall be subject to trespassing charges and further disciplinary consequences.

Students shall not be in the vicinity of or be on school grounds.

The parent/guardian is encouraged to keep their son/daughter at home during the suspension.

Although a student does not receive credit for work missed during a suspension, the student is encouraged to complete assignments to keep up with the class.

EXPULSIONS: Expulsion is defined as a removal of a student from school curricular activities and the denial of the opportunity of a student to participate in extra-curricular activities for a period of time up to eighty (80) days. The Superintendent authorizes an expulsion.

The Ohio Revised Code provides that a superintendent may expel a pupil from school not to exceed eighty (80) school days. The expulsion may extend into the following school year/semester. Students expelled for more than twenty (20) days may be requested to participate in community service.

A student will be given a written notice of the intent to expel which includes the specific reason(s) for the action. The parent/guardian will be advised of the intended action by telephone, when possible, and a copy of the notice is mailed within 24 hours which informs the student and the parent/guardian of:

- A formal hearing scheduled to be conducted not sooner than three days nor later than five days from the date of the notice to expel
- The time and place of the hearing
- The reason(s) for the intended expulsion
- The right of the student or the parent/guardian to challenge the reason(s) for the intended expulsion or explain the student's actions
- The right to be represented at the hearing by a representative of choice

Although a student does not receive credit for work missed during an expulsion, the student is encouraged to complete assignments to keep up with the class.

PERMANENT EXCLUSION: If the offense is one for which the District may seek permanent exclusion, the notice will contain that information.

PHYSICAL RESTRAINT: ORC 3319.41 specifies that: A person employed or engaged as a staff member, teacher, principal, or administrator in school, whether public or private, may, within the scope of their employment, use and apply such amount of force and restraint as is reasonable and necessary to quell a disturbance threatening physical injury to others, to obtain possession of weapons or other dangerous objects upon the person or within control of the pupil, for the purpose of self defense, or for the protection of persons or property.

POLICE INVOLVEMENT—QUESTIONING STUDENTS: The Bellevue City School District shall cooperate with law enforcement agencies in the conduct of their investigation providing that due consideration is given to protecting the rights of students and parent/guardian.

INTERROGATIONS AND SEARCHES: The District has responsibility for the control and management of the students during the school day and hours of approved extracurricular activities. The right of inspection of students' school lockers or articles carried upon their persons and the interrogation of an individual student is an inherent authority granted to school boards. All searches are conducted sparingly and only when such search is reasonably likely to produce the safety and security of persons and their property within the area of the school's responsibility. The rules apply to the search of school property assigned to a student (lock, desk, etc.) and the seizure of items in his/her possession.

General housekeeping inspection of school property may be conducted with reasonable notice. Random searches of lockers may be conducted.

A general inspection of school properties such as lockers, desks, etc. may be conducted on a regular basis. During these inspections, items which are school property may be collected (example: overdue library books).

Items, the possession of which constitutes a crime or violation of school rules, or any other possessions reasonably determined to be a threat to the safety or security of others may be seized by school authorities at any time.

Principals and their designees are permitted to search the person and personal property (purse, knapsack, gym bag, etc.) of a student where there is a reason to believe that evidence will be obtained indicating the student's violation of either the law or school rules.

A law enforcement agency is required to produce a warrant prior to conducting any search of a student's personal property kept on school premises; however, when there is reason to believe that any item might pose an immediate threat to the safety or security of others a search may be conducted without a previously issued warrant.

GRIEVANCE PROCEDURES

If any person believes that the Bellevue City School District or any of the District's staff has inadequately applied the principles and/or regulations of (1) Title VI of the Civil Rights Act of 1964, (2) Title IX of the Education Amendment Act of 1972, (3) Section 504 of the Rehabilitation Act of 1973, and The Americans with Disabilities Act, he/she may bring forward a complaint, which shall be referred to as a grievance, to the District's Civil Rights Coordinators. STUDENT ACCESS TO NETWORKED INFORMATION RESOURCES

Bellevue City School District Board Policy Section 7540.03 - Acceptable Use Policy – Student

The Board of Education recognizes that as telecommunications and other new technologies shift the ways that information may be accessed, communicated, and transferred by members of society, those changes may also alter instruction and student learning. The Board generally supports access by students to such information resources along with the development by staff of appropriate skills to analyze and evaluate such resources. In a free and democratic society, access to information is a fundamental right of citizenship. Telecommunications, electronic information sources, and networked services significantly alter the information landscape for schools by opening classrooms to a broader array of resources. Telecommunications, because they may lead to any publicly available files server in the world, will open classrooms to electronic information resources which have not been screened by educators for use by students of various ages.

Content filtering software blocks or filters access to visual depictions that are obscene, contain child pornography, or are harmful to minors. Filtering software is now in use on all district owned computers, and other Internet capable devices. Any attempt to circumvent this filtering is strictly prohibited.

As technology evolves, students may also be permitted to use personal devices to access the Internet via district owned filtered network resources. Upon signing an agreement, such personal equipment and devices become subject to filtering (compliant with the Children's Internet Protection Act (CIPA) at home also. Anti-virus, anti-malware, and all operating system patches must be used, and be kept current in order to ensure the security of the network for all users. Use of personal devices, such as smart phones, at school to directly access the Internet (thus circumventing district provided filtering) is prohibited, unless explicitly permitted by an educational staff person in consultation with their building's administrative team, and the technology department.

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply (see Board Policy [5500](#)). The network is provided for students to conduct research, complete assignments, and communicate with others for educational purposes. Access to network services will be provided only to students who act in a considerate and responsible manner.

Personal information such as complete names, addresses, telephone numbers and identifiable photos should remain confidential when communicating on the system(s). No user may disclose, use, or disseminate personal identification information regarding minors without authorization. Students encountering information or messages they deem dangerous or inappropriate on the web or when using electronic mail or direct communications should notify their teacher or other adult staff. Chat rooms and direct electronic communications (Instant Message services) are not permitted on school networks unless expressly authorized.

Independent student use of district owned telecommunications and electronic information resources at home may be permitted, when available by assignment or loan to a student, upon submission of current permission forms and agreement forms by parents of minor students (under eighteen (18) years of age) and by students themselves. An

appropriate deposit may be required for equipment assigned to, or loaned to, a particular student. In all cases, the family is responsible for the repair and/or replacement of negligently damaged or lost equipment.

Use of the network resources at school or at home must be in support of educational goals. The district reserves the right to prioritize use and access to the system. No use of the system shall serve to disrupt the use of the system by others; system components including hardware or software shall not be destroyed, modified, or abused in any way. Malicious use of the system to develop programs or institute practices that harass other users or gain unauthorized access to any entity on the system and/or damage the components of an entity on the network is prohibited. Users are responsible for the appropriateness of the material they transmit over the system. Hate mail, harassment, discriminatory remarks, or other antisocial behaviors are expressly prohibited. Such acts constitute a violation of Policy [5516](#) regarding hazing, Policy [5517](#) regarding bullying and harassment, and other pertinent sections. Such behavior will lead to disciplinary action under current guidelines.

Access to telecommunications will enable students to explore thousands of libraries, databases, and electronic resources while exchanging messages with people throughout the world. The Board believes that the benefits to students from access in the form of information resources and opportunities for collaboration exceed the disadvantages. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, Bellevue City School District supports and respects each family's right to decide whether or not to allow independent home access, or to explicitly limit searching of Internet resources at school. It must be understood however, that there are electronic resources such as InfOhio databases, and other online curricular resources which are hosted physically in an Internet "cloud," will be considered to be a part of the school district's network. These resources are a necessary part of curriculum instruction and access will not be limited.

Unless expressly disagreeing with this Policy and Agreement in writing, students will be given access to the network and Internet at school, and participate in all educational activities. In certain educational situations students will also be granted remote access from the Internet. Exception or partial agreement to this Acceptable Use Policy, as printed in the student manual, may be made by reviewing, signing, and returning the modified terms of your assent to this Policy and Agreement. Unless you do so in writing, it is understood that by enrolling your student in Bellevue City School District, you are agreeing to follow this Policy in its entirety, regardless of the location of your access, at school or via the Internet. The following are uses that are unacceptable under any circumstances:

- A. Installation of any software, sharing of passwords, or making changes in workstation configuration in an attempt to bypass web content filters, network security, and/or Internet access restrictions.
- B. Installation of any software, sharing of passwords, or making changes in configuration in an attempt to alter the educational use of a PC, server, or other technology, without the express permission of a teacher, or other staff.
- C. The transmission of any language or images which are of a graphic sexual nature.
- D. The transmission of any material, jokes, pictures, or other materials which are obscene, lewd, vulgar, or disparaging of persons based on their race, color, sex, age, religion, national origin, or sexual orientation.
- E. The transmission of messages or any other content which would be perceived by a reasonable person to be harassing, bullying, or threatening.
- F. Uses which constitute defamation (libel or slander).
- G. Uses which violate copyright laws.
- H. Uses that attempt to gain unauthorized access to another system or to impair the operation of another system (for example, the transmission of a computer virus or an excessively large e-mail attachment; viewing, transmitting, or printing, private, private information, etc.).
- I. Any commercial or profit-making activities.

J. Any fundraising activities, unless specifically sponsored by our schools.

Such uses may lead to disciplinary action under current guidelines.

The Bellevue City School District makes no warranties of any kind, either express or implied, in connection with its provision of access to and use of its computer networks, wireless network, the Internet, and other technologies provided under this Policy and Agreement. MEDIA CENTER

A central media center has been established in the elementary school. Grades K-5 visit the media center on a regular basis. Students have access to books, magazines, and reference books in the media center. If a student loses or damages a book, he/she must pay the repair or replacement cost for that book.

NEWSLETTER

Newsletters are generally sent home bi-monthly. These are to inform parent/guardian and students of what is going on at school and to announce upcoming events. The school also has a Twitter account and you can follow @BESRedmen.

SPECIAL AREA TEACHERS

Providing a well-rounded education requires the services of many people. We have an instrumental music teacher for all sections of Grade 5. We also have a physical education teacher, art teacher and general music instructor for Grades K-5. In addition to the services provided by these instructors, we have the services of a speech and hearing therapist, school psychologist, Title I reading teacher, a district visiting nurse, a gifted intervention specialist, a district social worker, and a guidance counselor.

District programs for the cognitively delayed, learning disabled, or emotionally disturbed, are available for qualifying Bellevue students.

STUDENT COUNCIL

Students in grades 3-5 will be eligible for membership on the Student Council. This is an opportunity for students to share in student-led experiences and to help to improve the school, to increase school spirit, and to promote better understanding between the faculty and students.

STUDENT PICTURES

Each year, our school provides an opportunity for parents/guardians to have their children's pictures taken. The cost of the pictures is determined by the photography company's picture package that you select. Our school district uses a prepay plan. This means that the pictures must be paid for before the pictures are taken. If you aren't satisfied with your pictures, your money is refunded or a retake is ordered. Information and other forms concerning pictures will be sent home two or three weeks in advance.

STUDENT PROGRESS

CUMULATIVE RECORDS

Each child's cumulative record (containing personal data, attendance, grade records, and other information) is located in the Office of the Principal (or at the Board of Education for certain students). A student or parent/guardian is allowed to inspect the cumulative records by filing a written request with the building principal. Copies of the records may be received by paying a nominal charge. A copy of the detailed Board of Education policy for cumulative records may be reviewed at the Principal's office or online at www.bellevueschools.org

Both a custodial and non-custodial parent and/or guardian have access to a student's health and educational records unless agreed to otherwise in writing by both parent/guardian or specifically stated by court order as received by the District.

MAKE-UP OF EXCUSED SCHOOL WORK

Absence is the only excuse for work being late. Should a student be absent, he/she will have two (2) days for each day of absence to complete any work assigned during the absence. Assignments given before the absence and due on or during the absence are due on the day the student returns to school.

HOMEWORK POLICY

Homework, as long as it is properly designed, carefully planned and geared to the development of the individual student, meets a real need and has a definite place in the educational program. Homework is not used for disciplinary purposes. The extent and type of homework given is decided by the classroom teacher within the framework of specific instructional plans.

Home study assignments also afford a way for parents/guardians to acquaint themselves with the school program and their own children's educational progress.

Grading will be that system of measuring and recording student progress and achievement towards academic standards which enables the student, parents/guardians and teachers to learn the student’s strengths and weaknesses; plan an educational future for the student in the areas of the greatest potential for success; and know where remedial work is required.

The instructional program of this District will include a system of grading for Grades K to 12, which is both reliable and valid.
