WELCOME!

The Bellevue School District is dedicated to student academic success, post secondary opportunities, and career readiness. The early childhood team works with children, families, and community organizations to prepare students for kindergarten readiness. Bellevue Elementary School is organized by grade level, giving teachers the opportunity to share resources, ideas and provide interventions specific to individual student needs. Bellevue Middle School focuses on the team concept at each grade level, offering much needed individualized attention to students. Bellevue High School has grades 9-12 and offers courses for everyone. BHS currently offers courses for college credit through the University of Findlay and Terra Technical College. Students interested in a career technical path have the opportunity to attend EHOVE Career Center.

Bellevue High School and Bellevue Middle School offers many extra curricular opportunities for students. Our top-notch programs and facilities provide our students with an array of sports, clubs and activities to meet every interest. In addition to our excellent athletic, music and fine arts programs we are also very proud of our state recognized vocational agriculture and family career community leadership programs.

Bellevue City Schools, home of the Bellevue Redmen, has a history of tradition and pride which runs deep in our community. We welcome you to visit our schools and hope that if you are not already a "Redmen" that you will consider making Bellevue the place you will choose to live, raise your family and educate your children.

HISTORICAL BACKGROUND

Bellevue City Schools began in a one room log house in 1827. The first class to graduate from Bellevue High School was in 1870 with two students receiving diplomas. The Bellevue City Schools has a long standing tradition of excellence in providing a quality well rounded education for all students. The District is known for its outstanding achievements in academics, athletics, and in the areas of performing and visual arts.
