

Bellevue Elementary

Bellevue City School District, Bellevue, Ohio

November 2020

Hello!

We have more parents than ever driving their children to school. Our School Resource Officer will help to direct traffic whenever he is not obligated at another building. Please use your **turning signal** when exiting and entering the parking lot. If you have a flexible morning schedule the line is shorter at 8:40.

Please continue to assess your child's health before school and take their temperature.

Thank you to all of our moms, dads, family members and guardians who are reading with your children. Weston Malott reads with his dad Matt in the picture below. I suggest putting the technology away and picking up a book!

#BESReads

Congratulations to **Regan Pavlock** on reading 1 Million Words.

Aries Mott would like to recommend a humorous book to his first grade friends. **The Trolley Ride** has a wonderful ending!

Marco's Pizza Nights

One Thursday a month Marco's gives us 15% of every order called in by a BES family. **The class with the most orders wins a class pizza party.**

Yum!

In October we earned well over \$200 from your support.

Congrats to Mrs. Brown's 1st grade. They won the pizza party.

Does your child have a water bottle at school?

Our drinking fountains have been modified to become water bottle filling stations.

Does your child have headphones at school? Headphones can be a very helpful learning tool.
